COLLEGE OF FINE ARTS 3RD FLOOR AD HOC INSTALLATION POLICY AND PROCEDURES

The School of Art encourages responsible professional-level student artwork on the Carnegie Mellon campus. This form is for the use of CFA 3rd floor Ad Hoc installations (including hallways, niches and foyers not currently reserved for a week-long exhibit). Students must obtain permission to use other interior spaces from the school or unit responsible for that space.

- Permission: Students (exhibitors) must obtain signatures of the 1) supervising faculty member and 2) the SOA Activities Coordinator (Keni Jefferson, CFA 300 B) BEFORE installation. Since this often takes time, students should plan accordingly and have this proposal form signed in advance of exhibiting. The proposed site of the artwork must be indicated in the space below.
- Responsibility: After approval, exhibitor(s) must distribute a copy of this completed form to the sponsoring faculty member. Exhibitor(s) are responsible for mounting and removing artwork in a timely and professional manner. Exhibitors must be considerate of the facility and areas adjacent to the installation, and they must return the site to its original condition upon completion.
- Signage: The exhibitor(s) must post a professional-appearing label adjacent to artwork. It must include the name(s) of the exhibitor(s), the title (if appropriate) and the removal date.
- Materials: The exhibitors must furnish and remove ALL materials used in the exhibit. Security is also the responsibility of the exhibitor.
- Cleanup: At the end of the exhibit (the date indicated on the other side of the form) exhibitors must remove all exhibition materials and clean up the space without delay. CFA administrators are not responsible for this activity. No storage space is available. The university is not responsible for any work left by the exhibitors. Exhibitors' student accounts will be charged if the School of Art has to hire someone to repair damage or remove materials.
